THE SKIPPER

JUNE 1950

Twentieth Anniversary Number

Published by the Senior Class of Riverside High School Buffalo, N. Y.

The many will follow the beaten track

With guideposts on the way,

They live and have lived for ages back

With a chart for every day.

Someone has told them it's safe to go

On the road he has traveled o'er,

And all that they ever strive to know

Are the things that were known before.

A few strike out, without map or chart,

Where never a man has been,

From the beaten paths they draw apart

To see what no man has seen.

There are deeds they hunger alone to do;

Though battered and bruised and sore,

They blaze the path for the many, who

Do nothing not done before.

-- Edgar A. Guest

Dedication

TO YOUTH --

AT THE CROSS-ROADS

OF LIFE

To every man there openeth
A Way, and Ways, and a Way.

And the High Soul climbs the High Way,
And the Low Soul grasps the Low,
And in between, on the misty flats,
The rest drift to and fro.

But to every man there openeth
A High Way, and a Low.

And every man decideth
The way his soul shall go.

-- John Oxenham

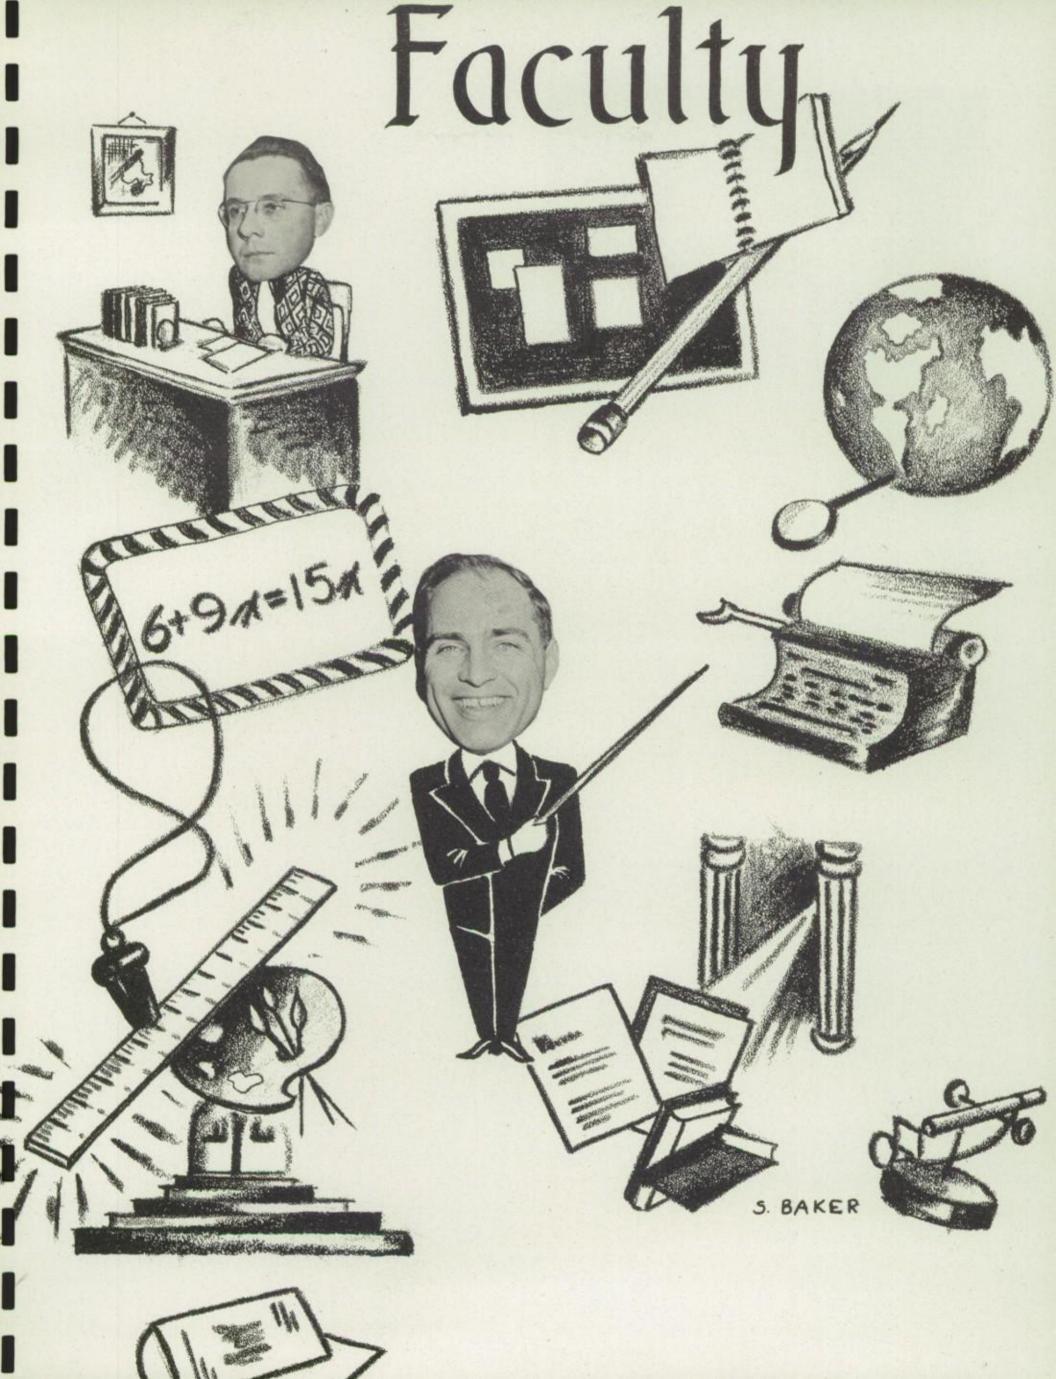

Mow that we have reached the crossroads of our educational life, we wish to
express our deep and sincere appreciation
to those who have so faithfully guided us
along the road during the past four years.

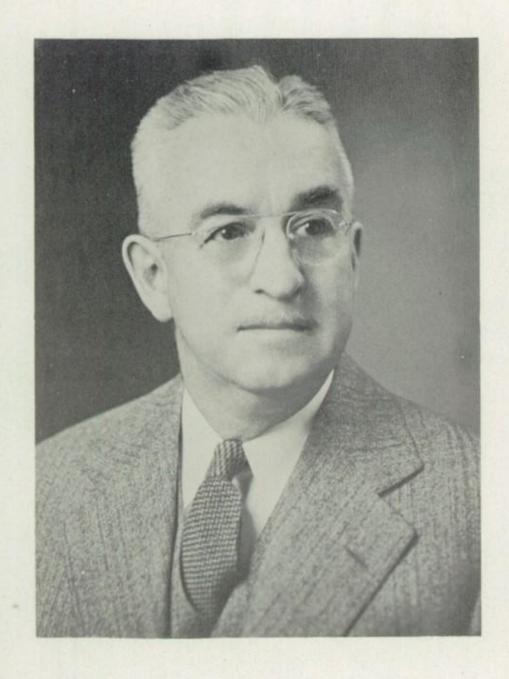

It is my joy in life to find At every turning of the road, The strong arm of a comrade kind To help me onward with my load.

And since I have no gold to give, And love alone must make amends, My only prayer is, while I live,--God make me worthy of my friends!

GRADUATES OF 1950

You have arrived at the end of a road. You have been guided and urged, by your parents and teachers, to attain the goal of graduation. Life now gives you the freedom of choice of paths. There is a road open to you with a guide post called EASY WEALTH AND SELFISHNESS. Another road that brings adventure and where courage is needed has the guide post called SERVICE. The road-side directions point out the necessity of honest attitudes toward all people, the need of faith in your fellow man, and the great need and the joy of working toward the advancement of peace and freedom. In all cases, it is a rough road that leads to the heights of greatness.

"So long as faith with freedom reigns,
And loyal hope survives,
And gracious charity remains
To leaven lowly lives;
While there is one untrodden tract
For intellect or will,
And men are free to think and act,
Life is worth living still."

With your diploma will go all the good wishes of the faculty of Riverside High School for a useful, happy, and successful life.

Your principal and friend,

Ray W. Opean

LLOYD A. MILLER

TO THE GRADUATING CLASS OF 1950

Life is similar to a main highway in many respects. There is a beginning and an end with many crossroads between. Graduation from high school is one of the milestones on the highway.

As early as possible each one should determine his destination or successful goal. Success must be analyzed for it should not mean the acquisition of material wealth alone. Success is won through diligent and efficient effort and results from unstinting concentration upon the goal. If you expect to receive you must first give.

Plan your future as an engineer would make detailed plans for a highway bridge across a wide river. The foundation is of utmost importance. Education can help you make your foundation for your life goal.

May your journey along the highway of life be a happy one.

Sincerely yours loyd a. Miller

E, the Class of 1950, have traveled together for the past four years and have now reached a parting of the ways. Each one of us, individually, must decide which path he will follow and what course he will pursue. Let us choose wisely, for there will be no turning back.

There's an unknown trail-but we'll take it.

It's a steep hard trail-who's afraid?

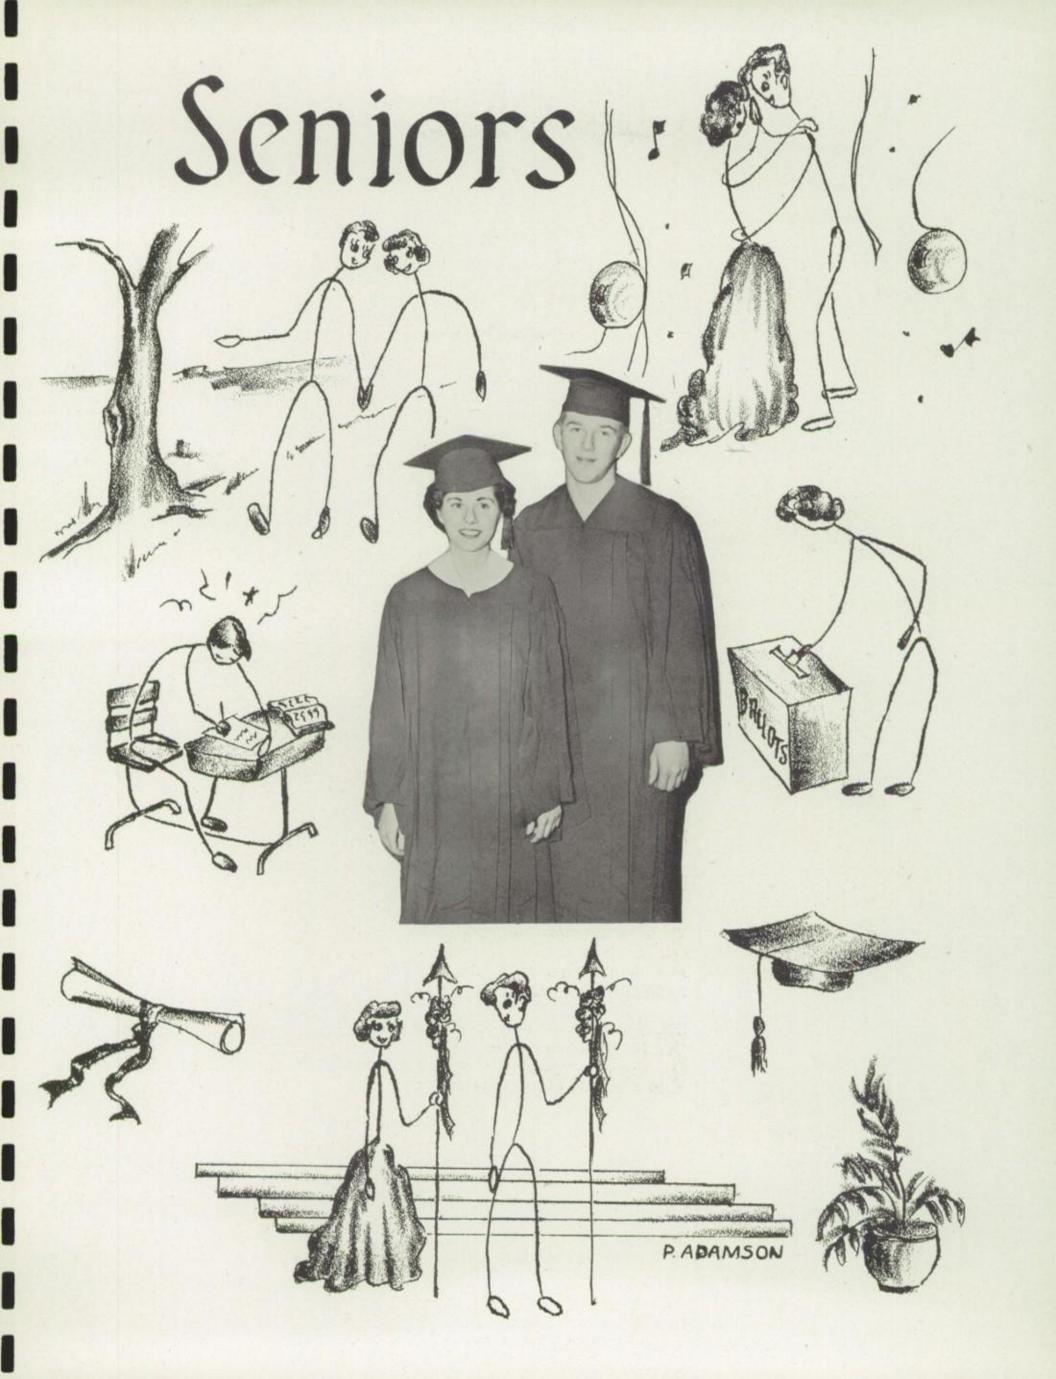

There are deep sharp chasms
to walk by;

No one's hands can aid.

Follow, follow, the far trail
seems to say,

Follow, comrade, follow, and
you'll make the peak today!

-- Mary Carolyn Davies

THOUGHTS AT PARTING

As graduation time draws near, We stand here side by side; Now must we leave the friends so dear, We've made at Riverside.

The Purple and the Gold we leave, From school we must depart; The memory of the days gone by Will linger in our hearts.

The highway that before us lies, Is yet to us unknown; Although we leave the friends we love, We do not go alone.

Some friends will travel at our side, To cheer us on our way; And memories fond of days of youth Within our hearts will stay.

The record of our high school days, We close with golden lock; For no one yet has learned a way Of turning back the clock.

Before us lie the pages white Of a volume bright and new, In which each one of us may write The things he hopes to do.

We wish to thank, before we leave, Our teachers and our friends, For help, for guidance, and for love, And patience without end.

Class of 1950, we may look back upon Our years at Riverside: Our work, our play, the deeds we've done, With a feeling of great pride.

118 27 - m tan To you, the Junior, Sophomore, and Freshman classes of Riverside, we wish to pass on the thought that success is not usually achieved by choosing the easy way. Hard work and diligent effort are needed to attain real success. Even though the going may seem hard at first, don't give up; keep going.

"The heights by great men reached and kept Were not attained by sudden flight, But they while their companions slept Were toiling upward in the night."

Freshmen Girls

PERHAPS one of the most important things to be learned from our school activities is tolerance. In the future, as we travel our several ways through life, if we have learned to be tolerant of our fellow men, we gain in understanding and can live in peace with all men.

"Let me live in my house by the side of the road
Where the race of men go by;
They are good, they are bad, they are weak, they are strong,
Wise, foolish--so am I.
Then why should I sit in the scorner's seat,
Or hurl the cynic's ban?
Let me live in my house by the side of the road
And be a friend of man."

Girls' Council

THE Girls' Small Council of 1949-1950 has added one more year to the ten years of previous existence in Riverside High School. It is only through the excellent assistance of our advisor, Miss Snell, and cooperation of others, that our year may be called successful. The Council acts as a governing body in student government.

During the year, we have been successful in selling the new Alma Mater pencils and Riverside mittens. The money thus earned is used in purchasing some useful gift for the school. A reunion dinner was held in December at Leonardo's Restaurant with the members of last year's Council. In February, a party was held for the Large Council.

At this time, we should like to express our appreciation to the faculty and student body for assisting us to keep our organization running smoothly. We cordially hope that our efforts have made Riverside as proud of its student government this year as it has been in the past.

Skipper Advertising Staff

THE Advertising Staff, guided by Mr. Renzoni, has spent many hours soliciting advertisements to finance our yearbook. If it were not for the efforts of this group, it would be impossible to publish the Skipper.

We sincerely appreciate the work of these students who have canvassed the area securing the advertisements necessary to make our yearbook a success. Thank you, Mr. Renzoni, and the staff, for a job well done.

VITAL STATISTICS

BIRTH

WE are proud to announce the birth of that new EFFICIENT school store the PORT HOLE in Room 265.

OBITUARY

This year Riverside High had both a death and a birth. The death was that of the dull, drab storeroom, Room 265.

EARLY in December a ship unfurled its sails, weighed anchor at the doors of Riverside.

Going.

Gone---were your worries about school supplies when this beautiful ship left, leaving behind her cargo for the new addition to the Riverside family, the PORT HOLE. The Port Hole is attended constantly by the fond and doting staff of the newly organized Retailing Class under the supervision of Miss Engel.

Since the arrival of the Port Hole into the family of Sea Goers, we are the only High School in the city which boasts a course in Retailing.

The Port Hole staff and Miss Engel deeply appreciate the cooperation given them by the students and faculty in helping to make the Port Hole a success.

Boys Chorus

THIS year, for the first time in several years, Riverside has had a chorus for boys. These boys, under the expert leadership of Mr. King, have added much to our assemblies by their fine choral arrangements. They also played an important part in the annual Hi-Y Show.

We wish to congratulate Mr. King and the boys for their fine work and hope to have many more groups as talented as this in future years.

Hi-Y

THE purpose of this organization is "To create, maintain, and extend throughout the school and community high standards of Christian character."

As the school season of 1950 closes, so does another enjoyable season for the Riverside Hi-Y activities. The Junior and Senior boys of the organization have met every Thursday night under the supervision of Gordie Allan at the North Delaware YMCA.

Among our social activities this year have been joint meetings, dances, and hayrides. To balance this social program, we also were engaged in many of the YMCA activities.

THE Y-Teen Club, under the supervision of Mrs. Cooper, enjoyed and appreciated all of the club activities during 1949-1950.

In October our club had a very successful Hayride. At later meetings we had speakers on the subjects of Hair Styling and Social Relationships. The Installation Dance in December, was held at the Kenmore YWCA, at which time Riverside was hostess to the Technical and Bennett Hi-Y clubs.

The club expressed its Christmas spirit by giving a donation to help Y-Teens in foreign countries at a Silver Tea in December, at the downtown YWCA. In January, we sent two representatives to the Bradford Conference.

We hope future Y-Teens will follow the principles set up for them and seek to live up to the high ideals of the club.

THE Key Club is a Kiwanis sponsored service club for boys in High School and is organized in the same manner as the Kiwanis Club. Membership is limited to those having: excellent character, good scholastic grades and leadership qualities. The clubs are divided into divisional, district, and an international units. The motto of the Key Club is: "We Build."

The Key Club of Riverside High School was organized late last January under the sponsorship of the Kiwanis Club of Riverside. Weekly meetings are held. It is now in the stages of early growth but the members aim to achieve all the ideals of a Key Club.

At the District Convention, Stephen Czarnecki was elected Lieutenant Governor of Division Five, truly a great honor for a club established only one month. The Key Club plans to send some of the members to the Key Club International Convention in Columbus, Ohio. You will be hearing more about this new organization.

HIS Honor Roll was made up when the greatest attainment for Freshmen was once; Sophomores, five; Juniors, nine and Seniors, thirteen. The pins awarded for these achievements are: four times, Bronze; eight, Silver; twelve, Enamel; sixteen, Gold. To obtain a Gold pin a student must be on every Honor Roll for four years. The award for placing two, six, ten, or fourteen times is a flower, usually a carnation.

THROUGH our participation in sports, we have learned the value of both winning and defeat. Each one on the team is essential; each one as he travels through life has a task to perform. We may not always experience success in all we do, but it is important that we do the best we can regardless of how large or how small the job or problem is that confronts us along our way.

"We can't all be captains, we've got to be crew, There's something for all of us here. There's big work to do and there's lesser to do, And the task we must do is the near.

If you can't be a highway then just be a trail, If you can't be the sun be a star; It isn't by size that you win or you fail—Be the best of whatever you are!"

Cross Country

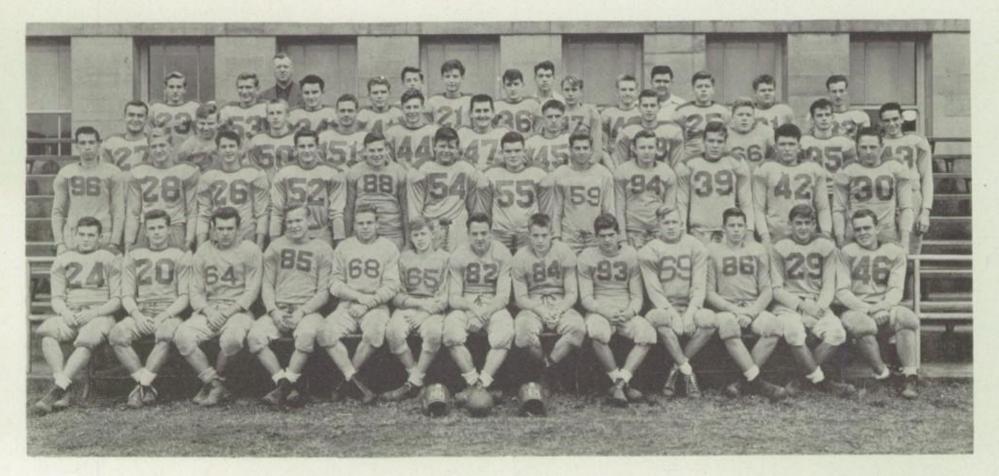

HEN the call was issued for candidates for the Cross Country team, about twenty boys reported. From last year's team, Wayne Nolan, George Stephan, and Bob Klepser were the only ones returning. Also coming along very well were some promising freshman and sophomores. After four weeks of hard practice under the direction of Coach Spitzer, a team was finally organized for competition.

On October 6, the day for the first meet against Fosdick and Hutchinson, the team finished second. In the second race on October 13, against Kensington and Lafayette, we finished third. In the third race on October 20, against Lafayette, Grover-Cleveland, Fosdick and Hutchinson, we were fourth.

Finally on October 21, it was time for the All-High race. The first five men to finish for Riverside were: Captain Bob Klepser - 7; Lothar Maier - 32; Wayne Nolan - 41; Joe Rodak - 58; Alex Hazelton - 65. The team finished seventh in the final standing.

The boys deserve a vote of thanks for their efforts made this year. The prospects for next year's Cross Country team are very good.

Football

THE 1949-1950 Football season will always be remembered by Riverside. The Frontiers beat Lafayette 18-0 and Foodick-Masten 26-0. The next game with South Park resulted in a scoreless tie. Then we beat Grover Cleveland 12-0 and Hutchinson 19-0. We won the play off with South Park 13-6 to become the champions of League I.

On Thanksgiving we opposed Kensington for the Harvard Cup and outplayed them in the first three quarters, but due to a few bad breaks, Ken forged ahead to win 13-0.

Captain Leo Wachala and Ted Boron were selected for the All High Team. Val Ihle was picked for second All High Team. Jim Lumadue, George Bilkey, and John Grunzweig received an honorable mention.

The entire squad was honored at a Sports Jamboree which was sponsored by the Riverside Businessmen's Association. At this time, the team members were presented with gold footballs and the school was given a banner, in recognition of the fine victory in League I.

FTER two years of playing for the Cornell Cup championship, we of Riverside are hoping this is our year. With our all veteran team back, our hopes of winning the cup are high.

The players the team will depend upon this year are Bud Conyers and Jim Lumadue who both made honorable mention, Ed Skoney and Harvey Booker making the infield, while Sam Falzone and Dan Platek will return for the outfield chores. Ken Lingswiler and Bob Lee will catch, while Joe Kloepp will add strength.

Coach McClogan and his nine charges are confident that they can win the League I championship again this year as they have in the past two years.

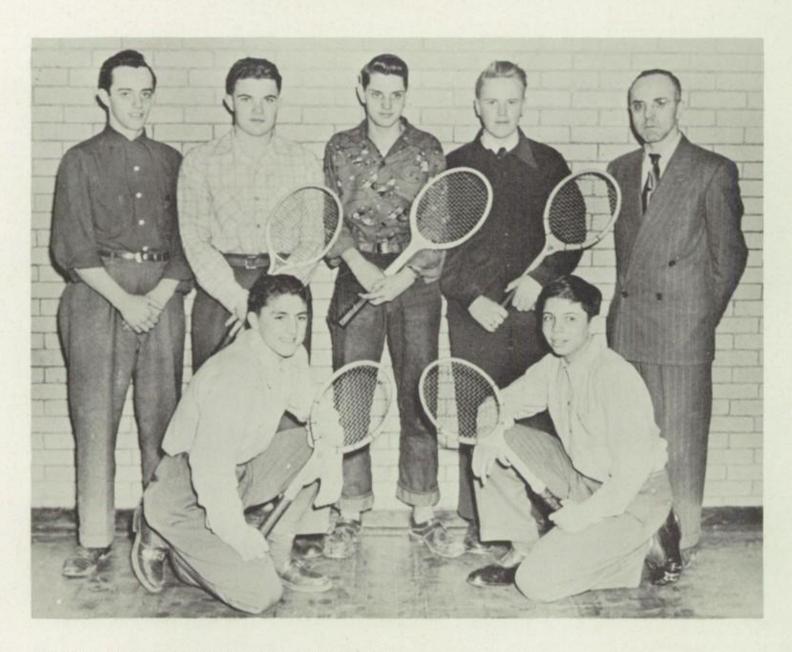

Baseball

Tennis

ITH the starting of another year of tennis, our able coach, Mr. Lewis Miller is very confident of a much better season than the previous ones because we have lost only one regular from last year. The regulars of last year, Bob Jackson (the winner of the fall elimination tournament), Steve Toth, Ronald Bolander, Robert Hoover, and George Hambruch, may have a very tough time holding their positions on the team because of stiff competition. Val Bartkowski, transfer from Technical High School, and Gerald Miller are candidates for the open positions on the team. as a result of the fall elimination tournament.

Front: Robert Jackson, Philip Silverberg.

Standing: Allen Lesser, Robert Hoover, Franklin Frost, Peter Turner, Mr. Miller.

THE Swimming Team began its season of competition with confidence and high spirits. With reliable members who had previously proved their worth, as well as dependable and outstanding newcomers, the team carried with it an assurance of success. The entire team owes a standing vote of appreciation to its coach, Mr. McColgan.

Successful participants in the following events were:

200 yard freestyle--Ernie Fudala, Dave Rife

100 yard breaststroke--Fred Wagner, Emil Novak

100 yard freestyle--Tom Stevens, Dick Homer

100 yard backstroke--Dick Cook, Bob Voss

40 yard freestyle--Chuck Williams, Harold Arndt, Ed Morrison

Members of the 120 yard medley relay and the 160 yard relay were chosen from these groups. John Rollo acted as manager.

OUR basketball team got off to a slow start, dropping three of its first five games in the Yale Cup Series. Two of our three losses were decided in the final minutes of the game.

Bill Millidge and Jim Clark shared scoring honors as the co-captains of this year's team. Rand States proved to be a good playmaker at the guard position. Coach Carl Spitzer will have two regulars back next year. They are Jim Lumadue and Bob Poliachik.

Track

HE track team of 1950, under the expert supervision of Mr. Spitzer, has been training faithfully with a determined spirit to gain victory. Because of the inclement weather, the boys are forced to train by running around the corridors on the third floor.

This group has great prospects for its spring program. Many of last year's lettermen are back and there are several underclassmen with promising futures.

Cheerleaders

THROUGHOUT the year, our many assemblies have been made complete by our hard-working cheer-leaders. Because they have put all their efforts into this leading, they have been a great inspiration to the student body.

We thank these boys and girls for all they have done to promote school spirit.

Gold Pin Awards

GOLD Pin Awards are presented to Senior girls who have earned a total of 500 points in their four years at Riverside. To these girls, it is an honor to receive their pins on girls' athletic day.

The points must be earned in this way: 150 points in the Freshman year, another 150 points in the Sophomore year, 100 points in the Junior year, and finally 100 points in the Senior year.

These points can be earned by participating in volleyball, basketball, bowling, and a number of other sports.

Row 1. Lois White, Shirley Loretta, Kathleen Farrell, Mary Ann Farrell, Sylvia Ivancic, Mary Sasala, Mary Kustich.

Row 2. Mrs. O'Hern, Ruth Penksa, Carol Davoli, Mary Gushue, Betty Gelics, Irene Christian, Carol Lux. Theresa Czarnecki.

Row 3. Mary Ann Popovich, Joan Vari, Maureen Zimmer, Joyce Gilbert, Janice Watson, Joan Wauriw.

Swimming

HIS year, under the leadership of Mrs. O'Hern, three swimming meets were held with mixed teams of upper and lower classmen. Out of forty or more girls, twenty-four girls in all were chosen for the Purple and Gold swimming meets. The losing team provided a party for the winners. All of the girls wish to extend their thanks to Mrs. O'Hern for her time and patience.

Volleyball

OLLEYBALL inaugurated the girls' sport schedule this year with almost two hundred girls competing. Under the excellent supervision of Mrs. Stapelton and Mrs. Goldstein, the girls were assigned to teams according to their class. First all freshmen, sophomore, junior, and senior teams played six practice games. These were succeeded by class playoffs. The "Purple Team" and the "Gold Team" of the school were determined by the two winning teams of the final playoffs. The juniors and the freshmen shared the winning honors.

ONCE again, as we come to the completion of another year's Skipper, we realize the importance of working together and the assistance of others. Whatever we do as we travel the road of life will be beneficial or detrimental not alone to ourselves but to others. None travels the way alone; none can retrace his course.

"I shall pass through this world but once. Any good therefore that I can do, or any kindness that I can show any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

THE AMERICAN WAY

Twenty-four years ago this coming April, Valentine Nowakowski came to Pratt & Letchworth looking for a "job." All Val asked for was the right to work, a job that gave him a living wage and an opportunity to improve himself. Just the plain American Way of Life.

Recently Val retired. During his period of service Val and his wife brought up two splendid sons, bought and paid for a two-family flat where they now live.

At 65 Val and his wife live in their own home, have accumulated enough savings to live comfortably their remaining years. Val's rules for living are these:

Learn to get along with people.

Learn to exhibit more patience than any other man you know.

Learn to respect other men's ideas and opinions. Learn to think problems through to the end. Learn to put yourself in the other fellow's place.

Be loyal.

Cultivate cheerfulness.

RULES FOR THE ROAD

Stand straight:

Step firmly, throw your weight:

The heaven is high above your head,

The good gray road is faithful to your tread.

Be strong:

Sing to your heart a battle song:

Though hidden foemen lie in wait,

Something is in you that can smile at Fate.

Press through:

Nothing can harm if you are true.

And when the night comes, rest:

The earth is friendly as a mother's breast.

--Edwin Markham
